* The Ontario College of Teachers defines a "Supervisory Official" as the Superintendent/Assistant Superintendent of the school board for a teacher employed by a Board of Education. A principal or headmaster is not recognized in this capacity. For a teacher employed by a private school, the "Supervisory Official" is the Ministry of Education Official (Education Officer) appointed to your school. For verification of overseas teaching experience, the appropriate Supervisory Official to confirm this is the person a teacher's principal reports to.
